INFORMATION DISCLOSURE STATEMENT

In accordance with the requirements of 37 C.F.R. § 1.97(b) and 1.98, attached please find a Form PTO-1449 listing information for consideration by the Office in connection with its examination of the above-captioned patent application. A copy of each of the documents listed is enclosed herein.

Applicants submit that no representation is made, and no representation is

intended, that more relevant material does not exist. The listing on the attached Form PTO-1449 is not intended to constitute an admission of any kind. Specifically, this presentation is not an admission that the item listed is properly citable against the above-identified application as prior art.

German document 64147 appears to show a plurality of vertically oriented members with holes there through and at least one bracing member.

Applicants respectfully submit that this invention is patentable over the enclosed documents cited on Form PTO-1449.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "William R. Gustavson".
